How do I join?

Our office managers and reception team have been trained to assist you in choosing the best plan for you and your family. Is my personal information safe when I join Privilege Plan?

You can be sure both the practice team and the administrators of Privilege Plan take your privacy and the security of your personal information very seriously. Your personal details will be passed to the company underwriting your dentist's accident and emergency insurance cover in case your dentist needs to make a claim for treatment covered under his/her policy cover, however you will not receive unsolicited marketing literature for any associated financial products or services.

Please note our plan administrators are Privilege Plan Ltd and their name will appear on your bank statement as the collector of your direct debit.

*Worldwide Accident and Emergency Insurance

As a member of Privilege Plan you will be registered with your dentist's accident and emergency insurance which covers:

- Treatment following accidents*
- Emergency Treatment at another practice (whilst more than 50 miles away - i.e. on holiday)*
- Oral cancer cover (if diagnosed - lump sum of £2,500)*
- These are subject to your practice being able to recover the cost of such treatment under the terms of the insurance policy it has taken for this purpose. A full copy wording of this policy is available and will be sent to you with your Joining Pack. The insurance is arranged through Lloyd & Whyte Ltd. who are authorised and regulated by the Financial Services Authority.
